AKGÜN GROUP

Since 1925...

The Akgün Group of Companies, a prominent business conglomerate in Türkiye, has a successful history that dates back to its modest start in 1925 when it initially entered the field of brick manufacturing. From its inception, the Akgün Group of Companies has remained committed to investing in industries that depend on the utilization of natural resources. This unwavering focus has been instrumental in driving its impressive growth to this day.

The Akgün Group of Companies, guided by its core principle of "Excellence in Everything It Does," has achieved steady growth and advancement. Each company within its extensive structure has emerged as a leader in its respective industry, leveraging modern technologies and demonstrating remarkable creativity. As a family-owned business, the Akgün Group of Companies takes pride in the satisfaction and sense of achievement that comes from managing its investments and workforce. This fosters the development of a strong corporate identity and culture among their employees.

Currently, the Akgün Group of Companies proudly employs a large workforce of 5,000 individuals, operates an extensive network of 17 factories and exports their products to 54 countries. The main export destinations of the Akgün Group of Companies include countries such as America, Germany, England, the Netherlands, Belgium, Greece, Bulgaria, various countries in Africa, the Middle East, and neighboring regions. Due to its distinguished reputation, strong brand image, extensive expertise, and profound understanding of the Turkish market, the Akgün Group of Companies has thrived in its core sectors, emerging as a pivotal driving force in advancing the Turkish economy. The subsidiaries of the Akgün Group operate in various sectors, including construction materials, automotive, insurance, logistics, and petroleum.

At the Akgün Group of Companies, we take pride in our industrial heritage that dates back to 1925. With unwavering confidence, we also look forward to the future.

Rim-ex

Dura Rim-ex toilet bowls are easy to clean with their ductless inner chamber design, they hold much less dirt and provide maximum hygiene. A complete cleaning is achieved thanks to the symmetrical and balanced flow of the water coming from the reservoir to both sides of the toilet bowl. Dura toilet bowls save water as they use less chemicals and water and they are ecological and easy to clean.

Concealed Installation

Dura concealed installation feature leaves no space for dirt and the entire surface of the toilet bowl can be easily cleaned. It inhibits bacteria growth.

Easy Installation

Thanks to innovative applications, the assembly of the products is easy and fast.

Glossy Surface

With its white and glossy surface, Dura cover is hygienic as well as stylish and aesthetic. It is easy to clean.

Splash-Proof Ductless System

Dura toilet bowls have a special design and technology that prevents water splash. This provides maximum hygiene.

Water Saving

The toilet bowls developed by Dura and produced in accordance with European Union norms consume less water with their special bowl structures and inner sets. Dura technology minimises the use of water and detergent and it is much more hygienic and economical compared to standard toilet bowls.

Bidet Pipe Universal Application

Bidet pipe inlet flush mounted.

Duroplast Toilet Seat Covers

Thanks to their special structure and design, Dura Ultra slim covers are ergonomic and aesthetic.

Duroplast Soft Close Seat Cover

Thanks to its special mechanism, the Dura toilet seat cover closes slowly and silently by itself and it is very safe for children against the risk of jamming their hands.

Removable Toilet Seat Covers

Dura Removable Toilet Seats can be mounted without screws in a practical way. It can be removed and cleaned as needed, and then reassembled.

Smart Wash

Thanks to its ductless design, the system does not keep dirt and bacteria, and it also distributes the water equally all over the toilet bowl. Dura's water-saving toilet bowls are aesthetic and very practical thanks to their hygienic ductless structure.

Perfect Impermeability

Dura technology designs long-lasting products by providing excellent impermeability.

Dura Hygiene

Maximum hygiene and easy cleaning provided by Dura Hygiene ion-added surface technology provides environmental sustainability.
